Dedication

The man with the briefcase, a gay tie, and bright smile—A firm, but friendly man, well remembered by students who have known him—A man who, during his eight years at Armijo has inspired so many English I students to a happier, more creative high school life—

The yearbook staff is proud to dedicate the 1963 La Mezcla to our friend, Mr. George Gross.

#### Armijo Joint Union High School District

The governing body for the school district is a hard-working group of concerned citizens for town and country. This group gives long hours to planning for the educational welfare of over eighteen hundred students at Armijo.

The board has worked many years to complete the plans for the district's new high school. The final blueprints were completed this past year and the construction will start in June. Even though the entire school will not be completed for five years, classes for nine hundred students will begin in September of 1964. There will be specialization in certain areas of both high schools.

Dear My Friends;

"Armijo, Fairfield," How wonderful they were! I'll never forget these names, forever.

At Armijo I learned many many things which I could not have learned in Japan. All of you really helped me to learn America and were always my good friends. One of the things I can bring to my country is your kindness, your friendship.

There are a lot of memories I can never forget. My wonderful American Family, Mr. and Mrs. Johnson, Tom, Chuck, who showed me an American home, is the first memory.

I'll remember many games which drew me into the vortex of the excitement, rallies—at the first rally I was very frightened at the yells, and talent shows—speaking honestly I couldn't understand the jokes in the talent shows.

I'll never forget the subjects I took in this year. They were not easy for me because of my English—especially I didn't like English composition, poems. But thinking now, they are all my pleasant memories.

I'll remember many beautiful sights of California, the Bay of San Francisco. The day when I saw it, it was a very wonderful, shiny day. There were many small sailboats that moved slowly. The sight looked like a picture. Oh, I will never forget. And Long Beach—which beat my heart and reminded me of hometown.

When I remember these things I'll miss America and you. I'll remember Armijo, Fairfield, and You.

I hope you will visit my beautiful country someday, especially when you get your wonderful bride, or bridegroom, and come over to my house.

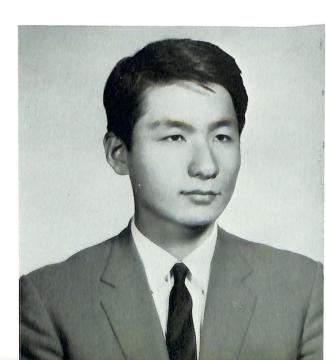

Thank you very much for the wonderful year. I hope I'll see you in the future.

Sayonara,

Takao Kondo 15 Minami-Machi Ena, Iwaku City Fukushima, Japan

#### Senior Class History

September 5, 1959, the Class of '63 began a collection of memories. We were the last class to make that long trek between the old and new campuses through sleet, snow, rain, or hail. Heading our class was Judy Bostick, President; Pam Warney, Vice-President; Kathi Gould, Secretary. Sandy Crawford, Mary Ann Gonzales, Pat Stone, and Julie Morrilla, our Freshman Cheerleaders, helped boost school spirit to an all time high.

A tax bond was passed, enabling us to ride rooter's buses once more. Gracing the side of the gym was the new bulletin board, donated by the Class of '58-'59. Another first was Marianne Vigre, Foreign Exchange Student from Sweden. "Freshman Playground," was our theme for the first of our successful Talent Shows.

The Homecoming game was celebrated by electing Pam Warney as Frosh Attendant to the Court of Queen Vicki Bird. Later in the year we elected Pat Stone to serve in the court of Miss Basketball, Carolyn Creager.

The fall of our Sophomore year began with the Frosh-Soph Scramble; the class repeating the defeat of our previous year. Serving as Class officers were Mike Pierson, President; Bob Fortney, Vice-President; Billie McClure, Secretary. Our JV Cheerleaders were Pat Stone, Mary Ann Gonzales, and Judy Emerson.

Although we didn't hold a Talent Show, our Soph Hop, "Grecian Gardens," was a rousing success. During Homecoming, our class chose Billie McClure as Attendant in Queen Phyllis Egolf's Court.

Containing 400 volumes, our beautiful new school library opened. The Varsity won the Faculty-Varsity game for the first time in many years.

To start our Junior year, we elected our Class Officers: Faye Agent, President; Suzi Johnson, Vice-President; Pat Stone, Secretary. With a strong sense of school spirit the Juniors helped elect JoAnn Valocsik, Mascot; Pat Stone, Billie McClure, Lee Ann Baldetta, Diana Markworth, Pam Warney, Pompon Girls. Dennis Francis and Dennis Morgan were elected Varsity Cheerleaders with Jackie Bird and Jackie Huff, forming the team of Dennis & Dennis and Jackie & Jackie.

To serve during the reign of Queen Jackie Bird, we elected Pat Stone as our Attendant during Homecoming. With the advent of Basketball season, Lee Ann Baldetta was chosen Junior Attendant while Bonnie Marshall ruled as Miss Basket Ball.

The theme of our Talent Show was "TV Revue," while the hit song "Moon River" served as a basis for the Junior-Senior Prom. Armijo was the host for her returning 1935 Championship football team, and Mehmet Artun, our Foreign Exchange Student, hailed from Turkey.

Our Senior year here at last, we elected Mike Shannon, President; Jardee Godfrey, Vice-President; Mary Wheatley, Secretary, to guide us through our final year. With an eye toward student government we helped elect Bob Fortney, President; Alex Wilson, Vice-President; Suzi Johnson, Secretary; and Dennis Morgan, President; Gerry Hunt, Vice-President; Jill Haile, Secretary, as our respective Fall and Spring Student Body Officers. Varsity Cheerleaders were Pat Stone, Judy Emerson, Pam Warney, and Billie McClure.

To reign over Homecoming festivities, we elected Queen Judy Emerson and Senior Attendant, Billie McClure. As the months rolled by, we held a Senior Car Wash, and a Talent Show with the theme of "Moments to Remember."

Basketball season opened with the Faculty-Varsity Game, which the Varsity lost for the second consecutive year. The season closed with the crowning of Miss Basketball, Pam Warney, and Senior Attendant, Lee Ann Baldetta.

The Junior-Senior Prom is held with our annual Senior Skip Day still in the planning stage. That magic night quickly approaching, we have a Senior Banquet, and attend a solemn Baccalaureate service. Only graduation now remains for the Class of '63. The treasured moment has finally arrived—diplomas are received with a calm smile and shaking hand, the alma mater is sung, and the class marches out. Amid the bedlam and confusion of the many congratulations that follow, the prospects of a bright and happy future await the Class of '63.

We will have these moments to remember. . . .

#### Editor's Message

When an inexperienced La Mezcla staff met for the first time in September, many problems were in the making. We had to decide on a theme, set up a budget, plan the book, assign the staff responsible positions, and learn to work as a smoothly functioning unit. Deadlines approached with unbelievable speed, so we put in time preparing pages after school, and on countless Saturdays, in order to meet them. But now that the blood, sweat, toil, and tears are all over, we can look back with pleasure on those hectic days when the La Mezcla of 1963 was born.

On behalf of the combined efforts of our staff, and advisor, Miss Harriet Hart, I present the '63 La Mezcla. It is our wish that you receive as much pleasure and satisfaction from this book, as we, the staff, did from it's creation and production.
